I have represented large real estate developers and brokerages, as well as individual homeowners in real estate and contract performance and collection cases. The trial experience mentioned above is not an accurate indicator of litigation experience, as negotiating techniques have resulted in early settlement of several cases. I am also qualified to serve as a civil discovery referee or a special master in a land partition action. I wrote an article entitled "Defense Tactics in Civil Actions that Ignore Arbitration Clauses" for the 2/00 Los Angeles Lawyer.
