

NOTICE TO PARTIES

DEPT. 73 CASES TO BE TRANSFERRED TO SOUTH COUNTY IN 2009

The new Morgan Hill Courthouse will be opening in early 2009. All active matters currently assigned to Dept. 73 will be transferred to the new Morgan Hill Courthouse when the facility opens.

As an accommodation to parties and attorneys, the Court will consider stipulations to transfer cases currently assigned to Department 73, *other than cases already designated as South County cases in the Declaration of Residence (Form FM-1051)*, to the North County Courthouse in Sunnyvale instead of the Morgan Hill Courthouse.

The parties must complete and submit the Stipulation and Order re: Transfer of Dept. 73 Case to the North County Courthouse form before **December 31, 2008**, to have the case transferred. Click [Stipulation and Order re: Transfer of Dept. 73 Cases to the North County Courthouse](#) or pick up the form at any of our Family Court Clerk's Office locations.
